Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Until I set out on my guided journey, I had worked various jobs and spent three years as a student in two Universities. Years earlier I had expressed the wish to know as much as possible while on this planet. I had assumed that I would glean this knowledge from books, teachers, videos and movies. Assumptions, projections into the future while not knowing if they would or would not materialize, became one of the mental configurations I had to let go of. Why did I not embark on my journey earlier? I did not volunteer for this quest. When I became aware of the corruption that influenced major decisions in government (I worked as an editor on geological reports at the time), decisions that were made contrary to the people s collective well-being, it prompted me to throw in the societal towel. Nobody could convince me to continue to contribute my gifts and abilities to a system that benefited a handful of misguided people. Without a goal or purpose other than my intent to withdraw myself from the collective insanity, I figured I would die shortly. There was nobody to care for or support me! Little by little, I came to understand how to fight for and regain my freedom from the matrix, and guide others who were pointed out to me. Rather than spending time in ashrams, yoga, meditation or spiritual centers, I hoofed it alone through nature and the cities of Europe as well as the United States with direct communications from my Higher Self and other aspects of Self in the timeless zones. Being my own (spiritual) home, clearly indicated in my natal astrological Signature...
