Wipf Stock Publishers, United States, 2006. Paperback. Book Condition: New. 229 x 145 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: The main thesis of Spirit-Word-Community is that Christian theological reflection in a postmodern world starts with the experience of the Holy Spirit, but is at the same time post-foundationalist in terms of being formed by the word and being adjudicated by various communities of interpretation. Yet the book s hermeneutical and methodological proposals are not merely prolegomena to theology but already involve and assume theologically substantive claims derived from a pneumatological point of view. Hence, this is a pneumatological theology which illuminates the hermeneutical process precisely by showing how the Holy Spirit engages the human imagination to empower liberative practices in a world that remains graced by her presence and activity. Spirit-Word-Community is meant in each of these senses to be a contribution to the formulation of a comprehensive theology of the Third Article for the twenty-first century.Endorsements: Amos Yong is a leading constructive Pentecostal theologian. In this challenging and creative work, he brings together a number of theological, hermeneutical, and philosophical perspectives to bear on a Trinitarian vision of Christian community. Both seasoned scholars and students will greatly benefit from this landmark book which expands the domain of a typical hermeneutical discussion. -- Veli-Matti Karkkainen, Professor of Systematic Theology, Fuller Theological Seminary, Pasadena, CaliforniaAbout the Contributor(s): Amos Yong is Associate Research Professor of Theology at Regent University School of Divinity, Virginia Beach, Virginia. He is the author and editor of six other books, including *The Spirit Poured Out on All Flesh: Pentecostalism and the Possibility of Global Theology* (2005). *Spirit-Word-Community* was voted the 2005 Book of the Year by the Society for Pentecostal Studies Book Committee.
