Puzzlewright. 1 Paperback(s), 2009. soft. Book Condition: New. The problem with playing Hangman has always been that you need at least two to play which is fun of course, but hardly suited to solitaire. After all, somebody has to come up with a word, and then tell you whether your guesses are right or wrong, right? Hence the "elegance" of this Hangman book, in which the word is provided by puzzle master Mike Ward, the longtime publisher of New Zealand's hugely popular Scratch-Hangman books. All you have to do is scratch off the silver-covered letters to see if you've guessed right, and fill in the stick-figure hanging man when you're wrong (feel free to get creative with this part). 128.
