So You Want to Get Married? is a must read for anyone currently in a serious relationship or thinking about entering into one. Initially written for his children, the author writes in a fatherly and personal way about how to avoid major issues that often lead to painful divorces. He also examines serious topics that better help you understand your potential spouse and identify your level of commitment to him/her. Through an insightful and simple process using the fingers of the hand, the author helps you think through and evaluate five critical areas everyone must consider before making a lifetime commitment to an individual. His innovative approach makes it easy for anyone to learn and remember the issues you truly need to address. With your acquired knowledge you will be better prepared to make a decision as to whether he/she is the right one for you - and whether you will have a wonderful and lasting marriage. This easy to remember...
