Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Boost Your Brain Power Do You Want to Take Your Mind and Memory to the Next Level? Do You Want to Upgrade Your Cognitive Functioning? Improve Your Memory? Increase Your IQ? Do you want to perform at a higher level in every area of your life? Well, you are going to love reading Boost Your Brain Power Oftentimes we think intelligence is something we are born with, something that is genetically handed down by our parents. This however, is a complete misconception. Intelligence, memory, cognitive functioning and brain power are all things that can be drastically improved with simple steps. The brain is a muscle, and like any other muscle it can be trained, it can be strengthened and it can grow. Understanding this, and knowing how to train your brain is the key to increasing its power. In Boost Your Brain Power you will learn quick and easy strategies you can implement today to start training your brain. This book is an action packed, value filled quick read that removes the complications of upgrading your cognitive function. Whether you want to improve your memory, increase your recall speed, boost your IQ or generally increase cognitive function, this book has you covered. From the science behind brain power all the way to the exact protocols you can implement to train your brain, everything you need is in this book. You will even be provided with step-by-step training you can use today to upgrade your mind. One of the best things I've yet to mention is all the benefits you can reap by purposefully training your brain. We have the obvious ones such as memory...
