A CERTAIN RICH MAN

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The woods were as the Indians had left them, but the boys who were playing there did not realize, until many years afterwards, that they had moved in as the Indians moved out. Perhaps, if these boys had known that they were the first white boys to use the Indians playgrounds, the realization might have added zest to the make-believe of their games; but probably boys between seven and fourteen, when they play at all, play with their fancies strained, and very likely these little boys, keeping their stick-horse livery-stable in a wild-grape arbour in the thicket, needed no verisimilitude. The long straight hickory switches-which served as horses-were arranged with their butts on a rotting log, whereon some grass was spread for their feed. Their string bridles hung loosely over the log. The horsemen swinging in the vines above, or in the elm tree near by, were preparing a raid on the stables of other boys, either in the native lumber town a rifle-shot away or in distant parts of the woods.
