SALMON STREAM

To read **Salmon Stream** PDF, remember to refer to the web link listed below and download the document or gain access to additional information that are have conjunction with SALMON STREAM book.

Dawn Pubns. Paperback. Book Condition: New. Michael S. Maydak (illustrator). Paperback. 32 pages. Dimensions: 10.2in. x 8.8in. x 0.1in. Named a prestigious CBCNSTA Outstanding Science Trade Book, this is a poetic yet accurate description of the life cycle of salmon. For kids, it is fun and eye-opening. For teachers, it is a valuable supplement to a unit on water, fish and ocean animals, and the life cycle. Fast-paced prose and brilliant illustrations follow the salmon from their form as eggs in a stream to the wide ocean, eventually making a hazardous journey home to their stream of origin. As in her earlier best-selling book, *The Tree in the Ancient Forest*, author Carol Reed-Jones uses cumulative verse--a literary technique that is not only enjoyable but suggests how interconnected salmon are with their habitat. At the back is a section on salmon facts and what makes a good habitat for them, teaching the basics of ecology and why clean streams and waters are so important. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
