COLONIALISM AND NEO-COLONIALISM

GRIN Verlag. Paperback. Book Condition: New. Paperback. 28 pages. Dimensions: 10.0in. x 7.0in. x 0.1in. Seminar paper from the year 2008 in the subject Tourism, grade: A-, University of Birmingham, course: Tourism Destination Histories, language: English, abstract: The seminar dealt with the issue of colonialism and neo-colonialism. The discussion was mainly based on four articles followed by five questions that were given as a guideline for the seminar. The following articles have been used: Dukes earls, and ersatz Edens: aristocratic nature preservations in colonial Africa by Neumann, Third World tourism as neo-colonialism by Pleumarom, Theres no such thing as ecotourism by Rufus and Mainstreaming holiday sex and the neo-colonial attitude by Michel. The first four questions discussed the notion of colonialism as reflected in the work of the Society for the Preservation of the Fauna of the Empire. The fifth question was to critically evaluate that colonialism is not dead, relying on the last three articles mentioned above that concerned the work of corporate tourism industry. The intention was to demonstrate that colonialism as understood in past terms is no longer existent, yet it developed new forms of oppressions that are skilfully camouflaged in the actions of corporate tourism companies based in developed countries that control most of the tourism industry in the undeveloped world. The attitude of the visitors towards the visited is reflected in the complex master-servant relations that are discussed in the second part on the example of Green tourism and sex tourism. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
