Reviews

This book is so gripping and fascinating. Of course, it is actually perform, still an interesting and amazing literature. You will not feel monotony at anytime of your respective time (that's what catalogs are for about in the event you request me).

(Prof. Ophelia Wiegand I)

TEXAS

Random House USA Inc, United States, 2002. Paperback. Book Condition: New. Reprint. 201 x 132 mm. Language: English . Brand New Book. Spanning four and a half centuries, James A. Michener's monumental saga chronicles the epic history of Texas, from its Spanish roots in the age of the conquistadors to its current reputation as one of America's most affluent, diverse, and provocative states. Among his finely drawn cast of characters, emotional and political alliances are made and broken, as the loyalties established over the course of each turbulent age inevitably collapse under the weight of wealth and industry. With Michener as our guide, Texas is a tale of patriotism and statesmanship, growth and development, violence and betrayal a stunning achievement by a literary master. Praise for Texas Fascinating. Time A book about oil and water, rangers and outlaws, frontier and settlement, money and power . . . [James A. Michener] manages to make history vivid. The Boston Globe A sweeping panorama . . . [Michener] grapples earnestly with the Texas character in a way that Texas's own writers often don't. The Washington Post Book World Vast, sprawling, and eclectic in population and geography, the state has just the sort of larger-than-life history that lends itself to Mr. Michener's taste for multigenerational epics. The New York Times.
