

International Security: The Contemporary Agenda (2nd Revised edition)

By Roland Dannreuther

Polity Press. Paperback. Book Condition: new. BRAND NEW, International Security: The Contemporary Agenda (2nd Revised edition), Roland Dannreuther, International Security is a cutting-edge analysis of the key security challenges and developments in the post-Cold War world. Drawing on a wide range of contemporary examples, from the Iraq war to the rise of China, it is an essential guide for students and policy makers seeking to understand the theoretical and empirical debates over the fast-changing nature of international security today. The book is organized into four main parts. Part 1 provides an analytical framework for the book, identifying the most significant post-Cold War shifts in international security and recent theoretical developments in security studies. Part 2 analyses the root causes for contemporary warfare, the dilemmas and debates over military intervention, and the role played by the UN, NATO and other organizations in maintaining international peace and security. Part 3 assesses the challenges of environmental security, including the threat of resource-based conflict, most notably over oil and water, and the perceived security challenges of international migration. Part 4 discusses the new security challenges posed by international terrorism, the proliferation of weapons of mass destruction, and cyber warfare. It explores the strategies and...

Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Everett Stanton**

Very good electronic book and useful one. it absolutely was writtern extremely completely and useful. You will not feel monotony at at any moment of your respective time (that's what catalogs are for relating to when you question me).
