Its jurisdiction covers 135 parks, including 12 bathing beaches, 42 outdoor swimming pools, numerous playfields and similar out door facilities, 85 fieldhouses constituting year around recreational centers, 2 floral conservatories, a zoo, and a variety of other attractions. The Park District has jurisdiction over 205 miles of Chicago s boulevards and over 28 miles of Lake Michigan s shore line. The Park District employs its own maintenance and operating staff, including a force of 630 police officers recruited by its own Civil Service Board and responsible for the enforcement of Park ordinances and State laws and for the preservation of peace and good order. The Division of Police operates nearly 100 two-man squad cars, each equipped with two-way radios, with central headquarters located in the Administration Building in Buinham Park Because of the independent jurisdiction of the Park Commissioners, the Park police force functions separately from the Chicago City Police Department, although the closest cooperation exists between the two.
