This couldn t be further from the truth. History, in fact, is filled with a whole lot of nothing. Andrew Adams knows that only too well. Just like all ordinary men he spends much of his life wondering what the point of it all is, struggling to form meaningful relationships or find his place in society. Andrew s life follows a daily routine much like that of many others: he wakes up, does the minimum required to get himself through the day - careful not to learn too much or create a lasting impression on anyone - and then goes back to bed. There s only one, ever-so-minor inconvenience that continually stands in the way of Andrew s ignorantly blissful life Time-travel....
