CREATIVE CONVULSIONS: A COLLECTION OF SHORT FICTIONAL COMEDIES

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The first part of my first anthology of random pieces of writing. In it you will discover unfortunate dragons, a planet of squirrels, psychotic technophiles, pieces on natural and supernatural history, amusing Scottish call centre conversations, random musings on life, and the odd quirky poem. Part two - to be published separately, if there s sufficient demand - will bring you a battle between a giant lemming and a 14-headed dog, a young man who is obsessed with skating on frozen lakes of angel blood, some adulterated Scottish history, and a more substantial, very dark short story. Several of my convulsions are based in Scotland, and Glasgow in particular, my home town. Dialogue is often written in the local dialect, which shouldn t be too difficult to understand if you re familiar with Billy Connolly, Braveheart or Disney s Brave. If many readers struggle, I could always put together a glossary with standard English translations. I d love to hear your feedback. Please note that I DO use swear words in some passages; the F word quite frequently, and occasionally the C. It s appropriate to the characters, but if such words offend you then you may wish to skim past Ken and Annemarie. and Adventures in Wee Gie City in particular. Most of the convulsions are short or very short - often a page of A4 or less - so would be ideal for reading on a quick work commute or while spending time on the throne , if you get my drift. Thanks for reading. I hope you enjoy.
