Brand New Book ***** Print on Demand *****.Business entrepreneur, Mae Lancaster, flees New York and takes a low-profile position as a church secretary in rural Missouri. Not content with the church, Mae is unable to let go of the concerns she has over her world, and travels in secret. On one such business trip Mae inadvertently picks up something that doesn't belong to her, placing everyone she knows in danger. A trip through politics and perils with an interesting mix of characters and unpredictable plot developments; we have the first female President of the United States, and the entire National Security Agency, attempting to connect the dots between a Christian publishing company and dozens of assassinations, and still counting, with nothing to tie them together but the rule by thieves of Government in all its forms, bribery, extortion, arms trafficking, and money laundering. The forces of good are pitted against the forces of evil. D.J. Parsons lives in the Missouri Ozarks with her husband, Wayne, and her dog, May. Please join her in the discussion of religion and politics at.
