Dr. Richard Rowe, Vice President of the American Institutes for Research, provided helpful support and guidance throughout the project and was an invaluable technical resource for all project staff. Geoffrey Beane assisted in the development of this report and in data collection. Dr. James Dunn, Executive Research Scientist at the American Institutes for Research in Palo Alto, California, prepared the section on national trends for this report. Nina Green, Barry Kahn, Richard Fudge, Wes Profit and James Tewhey all played significant roles in data collection. JoAnn Fiske is largely responsible for supervising the reports production. This report could not have been prepared without the cooperation and assistance of Boston Public Schools administrators and teachers. We are particularly grateful to all of the middle school principals, teachers, and counselors who willingly gave of their time to cooperate with project staff. Ralph Clampitt,...
