iUniverse, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Elinor s book will inspire all parents, whether homeschooling or not, for her intuitiveness and constructive ideas for educating children. I was particularly impressed by her insistence that students learn to use their awakened eyes to observe features of their natural and built world. Her unique approach to children s understanding Joyce Kilmer s poem Trees, The Big Sit, the most unusual field trip and research project I have ever encountered, the detailed instructions and supporting vocabulary for dozens of interdisciplinary science and social studies topics, along with her lessons on correct grammar, 101 Ways to Prepare For a Writing Assignment, and original math projects will be useful for years of instruction.
