SEEKING WISDOM AMONG THE WISE: FOLLOWING GOOD ADVICE

America Star Books, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. This book is meant to enlighten all people of words of wisdom and understanding of knowledge. This book is short but powerful and impacts the lives of individuals who seek to have a personal and intimate relationship with God. Seeking Wisdom Among the Wise also points out the necessary things that s needed and required to live life consistent with the pattern the Bible has laid out for all men and women. Instructions call for the order of the day and to be in compliance with its manual. Discipline helps correct those who have a bad conduct and molds a person into a different design than before. Correction brings a person under the influence of what is right instead of wrong. Understanding helps a person comprehend the things that s being taught to them by another person or to have a clear idea or understanding of what is being taught. Knowledge doesn t come by doing nothing, but is acquired by study and research. In norder to know something and have experience in it, a person must first study to show themselves approved. Wisdom is just pure sanctified common sense of the imagination which gives good insight in the learning of things and to make sound judgment.
