She Is Not Me is a true story based on actual events that I had to overcome. In life we face many battles. The most important battle you will ever have to fight and ultimately overcome is the one right there in your mind. Over time we clutter so much heartache, pain and dead situations in our thoughts that will only spread venom. That war in our mind only holds us back from moving on and letting go. You have to turn that space in your mind from a place of worry to a place for worship. I had to learn a lot of things the hard way in life. I cant thank God enough because he could have given up on me a long time ago. You have to learn to press your way through and understand what doesnt kill you only makes you stronger. I open up deep in this book sharing dark places and situations I have been through to hopefully motivate others to keep standing. I am not a maybe to Gods grace but a witness. I want to thank you so much for taking the time out to support me. Someone once told me, Who wants to read about you. When you start asking God questions like Who am I and Whats my purpose dont be afraid to where he may take you, for me this book was it. She is not me represents who you once were is not who you are! This item ships from La Vergne, TN. Paperback.
