

Wicked Women of New Mexico

By Donna Blake Birchell

History Press (SC), United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. New Mexico Territory attracted outlaws and desperados as its remote locations guaranteed non-detection while providing opportunists the perfect setting in which to seize wealth. Many wicked women on the run from their pasts headed there seeking new starts before and after 1912 statehood. Colorful characters such as Bronco Sue, Sadie Orchard and Lizzie McGrath were noted mavers of mayhem, while many other women were notorious gamblers, bawdy madams or confidence tricksters. Some paid the ultimate price for crimes of passion, while others avoided punishment by slyly using their beguiling allure to influence authorities. Follow the raucous tales of these wild women in a collection that proves crime in early New Mexico wasn't only a boys game.

Reviews

Very beneficial to any or all class of individuals. It is rally interesting through looking at time. You will not feel monotony at at any time of your time (that's what catalogs are for concerning in the event you question me).

-- Dr. Dallas Reinger IV

Here is the finest publication i have read through until now. I am quite late in start reading this one, but better then never. I am just easily can get a pleasure of studying a created publication.
