What is commonly known as the Lord s prayer, actually contains the Lord s address, the place where He resides! This work reveals important aspects of the Kingdom of God and uncovers the brilliant way in which praise and worship benefits the believer. Many today find themselves earnestly seeking the Good Life, which would include a nice car, a fine home and quality clothing. They work tirelessly and go into debt daily, simply trying to advance their position. This book provides significant insight and empowers the reader with a different perspective on how to obtain these finer things in life. If you have ever wondered why the presence of God seems to be absent from our lives, from our homes, our churches and even our world, you ll find some of the answers you seek within. Be encouraged, God sees you and your situation. If you apply the principles you read about in this book, you will go from seeing your potential to experiencing His Power!.
