Bright Ring Publishing. Paperback. Book Condition: New. Paperback. 144 pages. Fun and easy art-appreciation activities abound in this resource that features 75 American artists from colonial times to the present. A brief biography for each artist tells why his or her work is important, and a kid-tested art activity tries out the artists approach. For Georgia O'Keeffe, the activity is a desert painting; for Frederic Remington, a face cast; for Leroy Nieman, a sketch of athletes; and for James Whistler, a clay engraving. Projects stress the creative process and encourage kids to try unusual techniques such as block printing, soak-stain, and stone carving as they learn about architecture, drawing, painting, photography, and sculpture. A resource guide provides a glossary of art terms, a list that groups the artists by style, a list of the artists birthdays, an index of art supplies, and websites for viewing art online. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
