

## The Birth of the West: Rome, Germany, France, and the Creation of Europe in the Tenth Century (First Trade Paper Edition)

By Paul Collins

The Perseus Books Group. Paperback. Book Condition: new. BRAND NEW, The Birth of the West: Rome, Germany, France, and the Creation of Europe in the Tenth Century (First Trade Paper Edition), Paul Collins, "Stimulating, encyclopedic, and often downright funny, this is a book worth remembering." --Stephen O'Shea, Globe and Mail (Toronto, Canada) "A lively, full-to-bursting history of the turbulent tenth century in Europe. Collins presents chaotic upheaval across Europe in an organized and riveting fashion." --Kirkus (starred review) The tenth century dawned in violence and disorder. Charlemagne's empire was in ruins, most of Spain had been claimed by Moorish invaders, and even the papacy in Rome was embroiled in petty, provincial conflicts. The stability once provided by Imperial Rome had dissolved, leaving a perilous landscape behind. Yet the story of the tenth century is the story of our culture's birth. This was the moment that civilization emerged from the Dark Ages into the light of day. The Birth of the West tells the story of a transformation from chaos to order, exploring the alien landscape of Europe in transition. It thoroughly renovates older conceptions of feudalism and what medieval life was actually like. The result is a wholly-new vision of how...
