Brand New Book ***** Print on Demand *****.Look no further for a comprehensive guide for new job hunting college graduates and parents looking for help getting their kids out of the nest. What s the best answer of the last decade to the question Why should we hire you ? Find out from the HR manager of a multi-billion dollar organization. What should you say when an interviewer says Tell me about yourself ? What are the biggest mistakes a candidate can make in an interview? Can candidates really lose a job offer based on their social media posts? Discover the answers to these questions and more inside this book of simple secrets that will accelerate the timing, and improve your chances of getting your first real job. From how to search for job and career opportunities to tips on getting your resume noticed by hiring managers and recruiters, college grads looking for an entry-level job will uncover a straight-forward system with a track record of success. A STEP-BY-STEP SYSTEM FOR SUCCESS The system has been developed by a pair of marketers who have used their 25 years of sales and marketing experience to help their own network of friends and family successfully identify, find and land their first (and second) jobs out of college. This no-nonsense guide is filled with how-to advice to help candidates get organized and mentally prepared for the job searching process. To add further credibility to the process, the author reached out to hiring managers across the U.S. for feedback on the biggest mistakes candidates make, and how to stand out in a crowded sea of resumes. The results of the survey are interwoven into this easy-to-follow book. How do...
