Walden Pond Press. 1 Paperback(s), 2011. soft. Book Condition: New. Young Juniper Berry knows her mother and father aren't the same people they used to be. Of course, they're no longer struggling actorsthey're now the most famous movie stars in the world, just as they'd wished to bebut it's more than that. Juniper can't shake the feeling that something isn't quite right with them. And one rainy night, in the shadowy, sinister woods behind their mansion, she discovers she's right, in this spooky tale for readers 8 to 12."In a story at once harrowing and touching, [the author] enlivens the narrative with a deft hand, melding imagery that recalls the work of Neil Gaiman, Lemony Snicket, and Hans Christian Andersen."Booklist"The quirky plot (who knew brightly colored balloons could represent such dire consequences?) is nicely accented with a slightly out-of-time feel. [The author] wisely builds toward a rich and complex climax worth these often-splendid characters."Bulletin of the Center for Children's Books 227.
