THE ULTIMATE GUIDE TO CHOOSING A MEDICAL SPECIALTY (3RD REVISED EDITION)

DOWNLOAD

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, The Ultimate Guide to Choosing a Medical Specialty (3rd Revised edition), Brian Freeman, You owe it to yourself to read this book before you choose a medical specialty! "The Ultimate Guide to Choosing a Medical Specialty, 3rd Edition" delivers a well-researched, insider's look at the complex issues medical students face when choosing a medical specialty. Supported by first-hand knowledge, useful facts and statistics - plus the author's personal experience and gut-level reports from current residents - this unique guide provides everything necessary to compare specialties and make a confident decision. "The Ultimate Guide to Choosing a Medical Specialty, 3rd Edition" is divided into two sections: Part 1: Planning Your Medical Career delves into the main issues surrounding the choice of your medical specialty. These twelve chapters provide everything you need to begin making this major decision - from how to research each specialty to how to apply for residency. Part 2: Specialty Profiles features chapters devoted to each of the 20 major specialties. It provides important information such as the latest salary information, employment data, and match statistics. This title features: an "insider's look" at different areas of medicine - with specialty chapters written by physicians just out of residency training; candid and revealing descriptions of each specialty; profiles of the major specialties, including those to which you may have had little exposure, such as radiation oncology; a concise, up-to-date guide to the residency application and matching process; a chapter with valuable advice to help you maximize your success in obtaining a residency position in each field; and, updated to include alternative career paths for MDs, such as laboratory science, the military, MD/MBA, and MD/JD.
